

## \$20,000 ... KEEP THE LIGHTS SHINING BRIGHT... \$20,000

### 2016 Pittsburgh Harlequins Lighting System Capital Project

#### Goals:

- Repair (2) Light Stands that are currently out of service
- Install (184) new lamps in Field Exterior Lighting

The Lighting System at Founders Field was installed in the late 1990s. In 2016, (2) Light Stands are currently out of service. Existing lamps require end of Life replacement. Cost to replace Qty= (184) 1500w Metal Halide lamps and repair (2) Light Stands is \$20,000.

#### Process:

Individual Lamps are available for Sale for \$83/each. There are Qty=(184) Lamps arranged on 10 Light Stands.

Naming Rights for Lighting Stands 1-10 will be available for purchase for \$500/each. Naming rights will be maintained until the next Lamp replacement.
